

Mountain Grout®

Polyurethane Systems

Technical Data:

Pump Flush

Description: Non-flammable maintenance fluid to use before and after each use to insure a moisture free pumping system. Mountain Grout Pump Flush contains no solvents. It is non-hazardous, non-corrosive, and compatible with all Mountain Grout systems. May be left in the pump and hoses until their next use.

Physical Properties	
Appearance	Liquid
Color	Colorless
Odor	Mild
Boiling Point	>250°C
Viscosity @ 20°C	102 cps
Vapor Pressure @200°C	0.503
Specific Gravity	0.98
Solubility in Water	Insoluble
Corrosive	NO
Flammable	NO
USDOT Shipping Data	UNREGULATED CLASS 55

MSDS should be read before using Mountain Grout products.
